The Islamic Creed

The Positive Influence

You

Islam guides you to recognize your Creator and the purpose of life. It helps you satisfy your mind, body and soul needs in the right balance.

Parents

The second most important circle of positive influence after embracing Islam is your parents. Parents are highly respected in Islam. They have a very special position and priority over all family members.

Family

God Commands you to be good with your family and uphold ties of kinship.

Environment

You are not to harm or be harmed. You should not harm the environment or cause any mischief or corruption on earth because it is a part of God's kingdom.

People

Islam encourages good, fair and honest behavior with people. Your smile is an act of charity. No ill opinion, evil suspicion, spying or backbiting. No derision or defamation. In order to spread love and peace, Prophet Muhammad recommended his companions to greet each other and offer food to the needy people.

Neighbors

Islam emphasizes the importance of respecting neighbors and treating them amicably.

Once you embrace Islam, it influences your life in multiple positive ways starting with yourself (spiritually and physically) and ending with the environment. You will embrace a positive way of life.

The Time Surah Al-Asr

By Time! Indeed, mankind is in loss, except those who believed (in God) and do righteous deeds, and exhort (join together) in Truth, and Patience.

The Quran, 78:1-3

A day passes, a day elapses of your life.
Your life is minutes and seconds; seize them!

By the time that passes very fast, by the age or eon that slips away, by the time of afternoon that indicates the descent of sun and the decline of the daylight to its weakest point before sun sets and disappears.

Verily, man is in continuous loss. As the human being ages and gets older and older, he or she is doomed to suffer loss in physical strength, health and joy in life.

Except for those who did four things in their lives:

1. Believed in God: Their faith turns the continuous loss health and power to continuous gain of rewards.
2. Did righteous deeds: Their time is a bank for rewards that is filled with good deeds.
3. Enjoined each other to seek and follow the truth.
4. Enjoined each other to be patient and steadfast.

O Believers!

Let not a people ridicule other people; perhaps they may be better than them; nor let women ridicule other women; perhaps they may be better than them. And do not insult one another and do not call each other by [offensive] nicknames. Wretched is disobedience after [one's] faith. And whoever does not repent, then it is those who are the wrongdoers.

O Believers!

Avoid much [negative] assumption. Indeed, some assumption is sin. And do not spy or backbite each other. Would one of you like to eat the flesh of his brother when dead? You would detest it. And fear God; indeed, God is Accepting of repentance and Merciful.”

The Glorious Quran, 49: 11-12

ISLAM

Believe and Do
righteous deeds

So as for those who
believed and did
righteous deeds, their
Lord will admit them
into His mercy. That
is what is the clear
attainment.

The Quran, 45:30

Indeed, those who believe and do righteous deeds and
establish prayer and give zakat will have their reward
with their Lord, and there will be no fear concerning them,
nor will they grieve. The Quran, 2:277

But the ones who believe and do righteous deeds - We
will admit them to gardens beneath which rivers flow,
wherein they will abide forever. It is the true promise of
Allah, and who is more truthful than Allah in statement?

The Quran, 4:122
